FACTS

MANDRAKE

Whomping Willow.

The Whamping Willow scheck grows on the grounds of Thogwarts in the Tharry Potter films, is a dangerous, spetchal tree, with branches that can swing, grab, and pound. The tree is rather indestructible-when Ron Weasley and Harry Potter crash the Weasley's Hying Ford Anglia into its branches in Harry Potter and the Chamber of Secrets, they do more damage to the car than the tree. There is a secret entrance in the Whompsing Willow that leads to the Shrieking

Considering what the Wilsonersey Wilson resemble to the aftering Prince of the Classes of Artimes and only as a long and a measured for great measured and the control of the transport of the great measured to the first to the Wilson resemble to the comparison of the Classes of the Classes of the Classes of the control of the Classes of the transport of the Classes of the Classes of the Classes of the the Classes of the Classes of the Classes of the Classes of the the Classes of the
